How to Use: Give 2 sprays into the mouth of the Cow / Buffalo once a day only. (Give when Cow is not Chewing the Cud). Take a ripe Banana or any fruit, near Cow's mouth, Cow will open its mouth wide, at that time, give CFS Spray, squeeze or press the spray 2 times only. Shake bottle once before use. Keep Spray bottle vertical while spraying. First time for 7 days only give this spray 2 times a day, for quick results. Shake bottle 2 or 3 times before use.

Refill Packs: Take a new Spray Bottle or if previously used CFS Spray bottle is available, empty it completely, by shaking it, and keeping it upside down for 2 minutes. Make a very small cut opening in one corner of the pouch, slowly carefully transfer the CFS liquid, from the Refill Pack into the Bottle. Close the Spray bottle Cap tightly.
